In addition for Secondary and Middle deemed Secondary Schools

Once you are aged 13 or over, we are required by law to pass on certain information to the provider of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England. We must provide the address of you and your parents (and your date of birth) and any further information relevant to the support services' role.

However, until you are aged 16 or older, your parent(s) can ask that no information beyond your name, address and date of birth (and their name and address) be passed on to the youth services provider. This right transfers to you on your 16th birthday. Please inform the school if this is what you or your parents wish.

For more information about young peoples' services, please go to the Directgov Young People page at www.direct.gov.uk/en/YoungPeople/index.htm or the LA website shown above.
