

Sociology at EPS

What we teach

Sociology is taught at our Sixth Form. We cover four units, two at AS level and 2 at A2.

Unit 1: Families and Households

Unit 2: Education and Methods

Unit 3: Power and Politics

Unit 4: Crime and Deviance

All four units are designed to increase students' understanding of the modern world they live in. We prepare students well for further education and for careers in Journalism, Politics, the Police Force, Social work, social research, Law, Politics and many more.
